Correction of: <https://formative.jmir.org/2024/1/e49133/>

(*JMIR Form Res* 2024;8:e59722) doi: [10.2196/59722](https://doi.org/10.2196/59722)

In “Development of Therapeutic Alliance and Social Presence in a Digital Intervention for Pediatric Concussion: Qualitative Exploratory Study” (*JMIR Form Res* 2024 Mar 22;8:e49133) the authors noted several errors.

In the originally published article, the equal contribution note indicating that Andrée-Anne Ledoux and Molly Cairncross had contributed equally as co-senior authors was missed. In the corrected version, these authors are now listed as

*Andrée-Anne Ledoux**; *Molly Cairncross**

**these authors contributed equally*

Then, in the originally published article, affiliation 5 was erroneously listed as

*School of Psychology, Faculty of Social Sciences,
University of Ottawa, Ottawa, BC, Canada*

This has been corrected to

*School of Psychology, Faculty of Social Sciences,
University of Ottawa, Ottawa, ON, Canada*

In addition, one author's name was listed as

Bechara Saab

This has been changed to

Bechara J Saab

The correction will appear in the online version of the paper on the JMIR Publications website on May 7, 2024, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.

This is a non-peer-reviewed article. Submitted 25.04.24; accepted 26.04.24; published 07.05.24.
