In “Smartphone-Based Survey and Message Compliance in Adults Initially Unready to Quit Smoking: Secondary Analysis of a Randomized Controlled Trial” (*JMIR Form Res* 2024;8:e56003) the authors noted an error in the authorship list.

The author Irene De La Torre was mistakenly excluded from the authorship list. Her degree is “BS” and she is affiliated to affiliation 2 of the original manuscript.

Irene De La Torre will be listed as an author immediately following Damon Vidrine and preceding Michael S Businelle.

The corrected authorship list reads as:

*Clayton Ulm, Sixia Chen, Brianna Fleshman, Lizbeth Benson, Darla E Kendzor, Summer Frank-Pearce, Jordan M Neil, Damon Vidrine, Irene De La Torre, Michael S Businelle*

The corresponding author has also been changed from Clayton Ulm to Michael S Businelle. In the revised manuscript, the details of the corresponding author are listed as follows:

*Michael S Businelle, PhD*

*TSET Health Promotion Research Center*

*Stephenson Cancer Center*

*University of Oklahoma Health Sciences Center*

*655 Research Parkway*

*Suite 400*

*Oklahoma City, OK, 73104*

The correction will appear in the online version of the paper on the JMIR Publications website on October 15, 2024, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
