JMIR Form Res 2026;10:e101442; doi: [10.2196/101442](https://doi.org/10.2196/101442)

In “Development of a Novel Mobile App on Emergency Management Among Patients With Acute Ischemic Stroke at County-Level Hospitals in China” [1], the authors noted one correction.

In the Funding section, the following sentence was revised:

This study was supported by Xichang Science and Technology Project (JSYJ-2022-14), Central Guided Local Science and Technology Development Fund Project (MXZB2025000822), and Research project of Sichuan Provincial Health Development Research Center (SCF24-C-100).

This section now reads:

This study was supported by Xichang Science and Technology Project (JSYJ-2022-14), Central Guided

Local Science and Technology Development Fund Project (2025ZYDF011), and Research project of Sichuan Provincial Health Development Research Center (SCF24-C-100).

The correction will appear in the online version of the paper on the JMIR Publications website, together with the publication of this correction notice. Because this was made after submission to PubMed, PubMed Central, and other full-text repositories, the corrected article has also been resubmitted to those repositories.
